

The TIGER I body armor system integrates a high ballistic performance, with an innovative ventilation system with an advanced 3D mesh technology that allows comfort in high temperature weather conditions. It also includes the laser cut molle system and three pocket alternatives for equipment, as well as an innovative quick release system. It has an external Nylon sheath that is also waterproof, resistance to fire, tearing and discoloration, allowing high performance and comfort.

3D Mesh  
• 100% Polyester

Cordura 500D or  
1000D

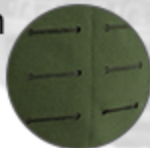

- 100% Nylon
- Weight 500D:  
255 g/m<sup>2</sup> (+/-10%)
- Weight 1000D:  
390 g/m<sup>2</sup> (+/-10%)
- Water resistant:  
urethane coating

## Beneficios:

- Better ventilation
- Pockets for carrying tactical gear
- Protection, durability and comfort
